

Deeper **Clean**

Deeper **Green**

INTRODUCING A NEW POWER

Envirox revolutionized the industry in 1998 with our hydrogen peroxide cleaning technology. Now, the next generation of green cleaning is here – even more powerful, yet easier on your health and lighter on the environment.

The Inventors of H₂Orange₂ Have Done it Again!

Ten Years to Develop. One Instant to Shine.

ENVIROX[™]
a healthier way to clean
