

Street Odor & Urine Neutralizer

Industrial grade odor remover and air freshener

A highly effective industrial grade odor remover and air freshener formulated using EnviroX's proprietary hydrogen peroxide technology. Use to mitigate malodors in streets, alleyways, trash bins and more*—without the use of harsh chemicals.

- For municipalities and commercial use.
- Can be sprayed, mopped or used with misters.**
- When diluted according to directions, the diluted products are not classified for Aquatic Toxicity (Acute or Chronic).
- Fully biodegradable by 29 days.
- After product is diluted in accordance with directions for use, eye and skin protection are not required.†

Use in/on:

- Common Open Areas
- Public Restrooms
- Building Exteriors
- Sidewalks
- Trash Receptacles & Dumpsters
- Other Areas Where Malodors Persist
- Water Fountains

Simplicity.

- Replace dangerous or hazardous malodor removers with a safer alternative and reduce the hazards to your people & the environment.
- No PPE required for in-use diluted product.

Savings.

- High yield concentration results in lower cost per in-use gallon—saving you money.

Amazing Results.

- Unique hydrogen peroxide technology delivers excellent results without the harsh fumes and dangerous chemicals.
- Easily controls mild to very strong malodors, including urine.

Pure Crafted®

At EnviroX, we are passionate about people.

We believe that clean doesn't have to come at a health cost; you can have a safe, low-toxicity, healthy facility without sacrificing cleanliness, quality or ease of use.

That's why our Pure Crafted® products are carefully formulated to contain only the minimum amount of surfactants needed. This means our products are safer, healthier and leave far less residue than typical cleaners. No more sticky surfaces that get dirty quickly and can harbor bacteria and viruses. Plus, you can instantly simplify your cleaning program, reduce costs and get excellent cleaning results.

This is the core of EnviroX's product development philosophy and our promise to you. Excellent cleaning results— with no harm to your people, your facility or your budget.
