

# Green Certified

## H2O2 Orange Tile & Grout Renovator

**Powerful tile & grout renovation with no acids, phosphates or harsh fumes.**

Make your grout white again with the power of hydrogen peroxide and cold-pressed Orange Oil! This unique combination penetrates grout lines, allowing the hydrogen peroxide to destroy odor causing soils. Get major renovation power with reduced toxicity. Use for heavy duty cleaning, degreasing and renovation of tile & grout.

### **Use on any water-safe hard floor:**

- Tile & Grout
  - Stone
  - Terrazzo
  - Travertine Tile
  - Linoleum
  - VCT Flooring
  - Marble
  - Rubber
  - Slate
  - Wood
  - Athletic Flooring and more!
- Use for mopping, auto-scrubbing, tile & grout—any hard floor application.
  - Clean with the power of hydrogen peroxide.
  - Biodegradable. Low VOC's. Non-Asthmagenic. Neutral pH.

### **Simplicity.**

- Tile & grout renovators are some of the most difficult and hazardous products to use. Reduce the hazard to your people & facility with safer products.
- Pair Green Certified H2O2 Orange Tile & Grout Renovator with one of our multi-purpose products for a complete, low-cost, 2 product system that includes serious tile & grout renovation power.
- Safer, healthier products are practically impossible to misuse\*.

### **Savings.**

- When used with EnviroX's complete cleaning system, you'll be able to consolidate your cleaners into just a few products while reducing costs.
- Reduce surface damage and staff injury, saving you on costly repairs and workers' compensation.
- Extend the life of your scrub & recoat by eliminating residue build-up.
- Don't be fooled by low case price; look at in-use product cost. Ask for your cost comparison today!

### **Amazing Results.**

- Our unique, proprietary hydrogen peroxide technology penetrates deep, breaking down and lifting soils for easy cleaning with little residue. No more sticky floors!
- Multiple dilutions address daily maintenance and serious renovation.
- Hydrogen peroxide formula destroys odors at the source – No more lingering smells!

\*Most EnviroX in-use products, when diluted correctly, are safe on any water-safe surface. Use as directed.

**Pure Crafted®**

At Envirox, we are passionate about people.

We believe that clean doesn't have to come at a health cost; you can have a safe, low-toxicity, healthy facility without sacrificing cleanliness, quality or ease of use.

That's why our Pure Crafted® products are carefully formulated to contain only the minimum amount of surfactants needed. This means our products are safer, healthier and leave far less residue than typical cleaners. No more sticky surfaces that get dirty quickly and can harbor bacteria and viruses. Plus, you can instantly simplify your cleaning program, reduce costs and get excellent cleaning results.

This is the core of Envirox's product development philosophy and our promise to you. Excellent cleaning results— with no harm to your people, your facility or your budget.
