Attacks grease, not you! Our Industrial Degreaser works better than traditional solvents, with no butyls, trichloroethane or other harsh ingredients.

Use for a variety of degreasing tasks:

- Food grease
- Car or bus exteriors
- Hard floors
- Carpets
- Cement sidewalks
- Manufacturing equipment
- Desks or whiteboards
- Low VOC's, neutral pH and safe on any water-safe surface.
- No residue build up.

Simplicity.

- Industrial degreasers are some of the most difficult and hazardous products to use. Reduce that hazard to your people & facility with safer products.
- Pair Green Certified Industrial Degreaser with one of our multi-purpose products for a complete, low-cost system with heavy duty degreasing power.

Savings.

- Reduce the environmental impact of industrial degreasing and save on costly hazardous waste disposal.
- Reduce surface damage and staff injury, saving you on costly repairs and workers' compensation.
- When used with EnviroX's complete cleaning system, you'll consolidate your cleaners down to just a few products and reduce overall costs.

Amazing Results.

- Works better than traditional solvents - without all the hazards.
- Use on any water-safe surface, including carpet and cement!
- Low-residue formula keeps surfaces clean and grease-free.

Pure Crafted®

At Envirox, we are passionate about people.

We believe that clean doesn't have to come at a health cost; you can have a safe, low-toxicity, healthy facility without sacrificing cleanliness, quality or ease of use.

That's why our Pure Crafted® products are carefully formulated to contain only the minimum amount of surfactants needed. This means our products are safer, healthier and leave far less residue than typical cleaners. No more sticky surfaces that get dirty quickly and can harbor bacteria and viruses. Plus, you can instantly simplify your cleaning program, reduce costs and get excellent cleaning results.

This is the core of Envirox's product development philosophy and our promise to you. Excellent cleaning results— with no harm to your people, your facility or your budget.
